

THE GIFT GUIDE

FOR YOUR FRIENDS!

When buying for your friends, try your best to consider their interests. However, if you can't come up with any ideas, play it safe with their favorite candy and a note!

FOR YOUR LOVED ONES

When buying for your family or close loved ones, try to remember things they have mentioned in the past. A gift doesn't always have to be a want, it can also be practical!

SECRET SANTA

When you don't know who you are buying for, keep things simple and try to aim for a gift that everyone will like! Some good ideas include: candles, candy, giftcards, and water bottles.

HOMEMADE GIFTS

Making a gift is a great way to be creative and save money! When making a gift, make sure to put a lot of thought into it to ensure it is meaningful.

BAKING

Baking is a great way to show love over the holidays! Baking shows that you made an effort on your gift. Whatever you make doesn't have to be perfect as long as you made it to bring someone joy!
